We could make the week of October 29th or the week of November 12th work. We would have a few of our executives fly-in for the meeting.

Thank you for your consideration, Dennis

Sounds good, thanks Ryan.

Nancy, Chad, Steven – let me know how you'd like to proceed with scheduling, if possible.

I have removed Peter from the email chain for simplicity sake since this would be a meeting with The Dow Chemical Company. Dennis
